

Hello there!

This week, Blue Triangle will be presenting at Google Cloud Ground School, an immersive, two-day online event hosted by cloud industry leaders from SADA, Google, and other alliance partners.

Join Lance Buchholz, Vice President of Channels and Alliances, on Wednesday, May 18th, for a panel discussion on the power of partnership to scale your business, and Alan Harris, Vice President of Sales, on Thursday, May 19th, for a session on digital experience and the customer journey.
